

Environmental Policy Statement

Clearcomm Group Ltd specialise in the activities of cabling, splicing, civils and groundworks services and recognises its responsibility to ensure that the business activities do the least possible damage to the Environment.

Clearcomm is committed to a Policy of Environment Management throughout our activities, ensuring that services are provided in such a way as to minimise the Environmental effects. Furthermore, Clearcomm is committed to a process of continual improvement of environment performance.

Supporting our mission statement, Clearcomm has agreed the following strategic aims:

- Compliance with all relevant Environmental legislative requirements.
- Re-use or re-cycling of waste materials whenever possible.
- Minimise the use of resources (Materials, Fuel, and Energy) there by reducing wastage.
- Consideration of Environmental effects and committed to pollution prevention in all our activities including the purchase of materials or equipment and the adoption of new technology / processes.
- Encouraging all third parties involved with Clearcomm to adopt a Policy of Environmental Management.
- Provide adequate resources for the achievement of the policy objectives.
- Evaluation of compliance with legal and other requirements.
- Work on obtaining ISO 14001 accreditation.

Within this overall objective, we have both a moral and legal obligations to ensure that we work safely and protect the Environment. Clearcomm maintain a supplementary Health and Safety Policy. All members of the Company are required to work within the framework.

The nature of our activities places particular emphasis and demands on the competence and experience of the staff employed. High levels of responsibility and reliability are associated with all aspects of our work and a competent and qualified to meet these requirements.

All new and existing personnel are made aware of the Environmental Policy either during ongoing training sessions or Company Induction.

This Environmental Policy is approved by the Managing Director and is the authoritative document relating to Environmental Management within Clearcomm.

Stuart Evans,
Managing
